

Expensify Travel Adds Central Billing, Event Management, and More

August 27, 2025

The all-in-one travel platform now makes booking, managing, and expensing trips even easier.

SAN FRANCISCO--(BUSINESS WIRE)--Aug. 27, 2025-- Expensify, Inc. (Nasdaq: EXFY), a payments superapp that helps 15 million individuals and businesses around the world simplify the way they manage money across expenses, corporate cards, and travel, today announced a suite of powerful updates to Expensify Travel. The platform now supports central billing, event management, and enhanced employee itineraries, designed specifically to simplify corporate travel planning and reduce T&E costs.

"Business travel has always been one of the most manual, frustrating parts of work," said David Barrett, founder and CEO of Expensify. "We're tackling that head-on by building travel into our superapp in a way that puts flexibility and control back in the hands of employees and finance teams."

The latest Expensify Travel updates include:

Central billing

- Pay for all travel on a central company card, or configure cards per team
- Choose what's paid by card: flights, hotels, cars, and/or rail
- Automate expense categorization and reconciliation
- Maintain strict control to reduce fraud risk
- Gain real-time visibility into bookings and expenses
- Minimize missing receipts and manual follow-ups

Event management

- Share custom travel booking links for offsites, conferences, and more
- Track RSVPs right from the Expensify Travel dashboard
- Automate attendee booking within your travel policy
- Set and update rules for individuals or entire groups
- Use templates for recurring events like candidate visits
- Centrally track and bill group travel expenses

Employee itineraries

- Automatically group bookings by trip in the Expensify app
- Enable admins to book on behalf of others, with automated expense routing
- Display flight, hotel, rail, and rental car details in one easy view

Expensify Travel aims to [reduce T&E costs by up to 30%](#) by automating the most painful aspects of business travel for employees, admins, and finance teams alike.
