

## Expensify Announces Business Travel Integration With Booking.com for Business

December 12, 2023

*Expensify integrates with Booking.com for Business to provide a seamless receipt integration for business travelers*

PORTLAND, Ore.--(BUSINESS WIRE)--Dec. 12, 2023-- [Expensify](#), Inc. (Nasdaq: EXFY), a payments superapp that helps individuals and businesses around the world simplify the way they manage money across expenses, corporate cards and bills, today announced a powerful new integration between Expensify and Booking.com for Business.

Powered by [Traxo](#), the Booking.com for Business and Expensify integration is the first expense integration to bring significant benefits to business travelers using the Booking.com for Business platform. The integration enables an effortless and streamlined process where business travelers can automatically upload travel receipts from Booking.com for Business directly into Expensify at the time of booking. The seamless integration will eliminate the need for manual data entry and reduce the potential for errors, marking a major step forward in enhancing the experience of Booking.com for Business customers.

"Business travelers expect comfort and a no-hassle approach when they travel. With the integration between Expensify and Booking.com for Business, travelers have one less task to worry about," says T.J. Ferris, Head of Strategic Partnerships for Expensify.

"The integration of Expensify highlights our continued focus on creating the best business travel experience for our customers. Every trip, every expense is automatically captured seamlessly, eliminating one of the biggest pain points for travelers and companies alike," says Joshua Wood, Director of Booking.com for Business.

### About Expensify

Expensify is a payments superapp that helps individuals and businesses around the world simplify the way they manage money. More than 12 million people use Expensify's free features, which include corporate cards, expense tracking, next-day reimbursement, invoicing, bill pay, chat, and travel booking in one app. All free. Whether you own a small business, manage a team, or close the books for your clients, Expensify makes it easy so you have more time to focus on what really matters.

### About Booking.com for Business

Launched in 2015, [Booking.com for Business](#) has grown to become one of the world's largest online booking tools for small to midsize companies. Part of Booking.com, Booking.com for Business aims to help companies thrive in a world of changing business travel needs. Booking.com for Business offers enterprise-grade travel management software at no cost, as well as one of the widest selections of travel options in the world, including flights, accommodations and rental cars, all at highly competitive rates. Booking.com for Business is available in 8 languages (English, Spanish, German, Italian, Portuguese, Polish and Dutch), and hundreds of thousands of small and medium-sized businesses trust the platform for their business travel needs globally.

### About Traxo

Based in Dallas, Traxo is the only real-time corporate travel data capture provider in the world. It allows businesses to finally obtain full visibility into all employee travel, automate pre-trip audits, maximize savings, and enhance duty of care for employee well-being. Traxo, founded in 2008, offers its services as a Software-as-a-Service (SaaS). Some of its notable clients include Amex GBT, EY, McKinsey & Co, Delta Air Lines, United Airlines, Coupa, Emburse and Booking.com. Three recent Business Travel News Travel Managers of the Year use Traxo and the company recently made The Business Travel Magazine's 2021 Tech HotList, which recognizes the industry's top tech innovators.
