Proxy Statement For the 2023 Annual Meeting of Stockholders

General Information

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the “Board of Directors” or the “Board”) of Expensify, Inc., a Delaware corporation, for use at the 2023 Annual Meeting of Stockholders (the “Annual Meeting”). The Annual Meeting will take place virtually at www.virtualshareholdermeeting.com/EXFY2023 on Wednesday, June 21, 2023 at 9:00 a.m. (Pacific Time). You will not be able to attend in person. This Proxy Statement, form of proxy and other related materials are first being mailed to stockholders on or about April 28, 2023. References in this Proxy Statement to “we,” “us,” “our” or the “Company” refer to Expensify, Inc. and its consolidated subsidiaries. When we refer to the Company’s fiscal year, we mean the annual period ended on December 31. This Proxy Statement covers our 2022 fiscal year, which was from January 1, 2022 through December 31, 2022 (“fiscal 2022”). Certain information contained in this Proxy Statement is incorporated by reference into Part III of our Annual Report on Form 10-K for the fiscal year ended December 31, 2022, as filed by the Company with the U.S. Securities and Exchange Commission (the “SEC”) on March 8, 2023 (the “Annual Report”).

References to the “IPO” refer to the initial public offering of our Class A common stock in November 2021. We use the term “LT Holders” herein to refer to our current and former employees and service providers who hold shares of our LT10 common stock and/or our LT50 common stock through a voting trust (the “Voting Trust”) governed by a trust agreement, dated November 9, 2021, by and among the Company, each LT Holder and the trustees named therein (the “Voting Trust Agreement”). All outstanding shares of our LT10 common stock and LT50 common stock are held directly by the Voting Trust.

Below are answers to common questions stockholders may have about the Proxy Materials and the Annual Meeting.

What are the Proxy Materials?

The “Proxy Materials” are a reference to the Proxy Statement and our Annual Report. If you request printed versions of the Proxy Materials, and you are entitled to vote at the Annual Meeting, you will also receive a proxy card.

Why did I receive a Notice of Internet Availability of Proxy Materials instead of a full set of materials?

Under rules adopted by the SEC, we are electing to furnish the Proxy Materials to our stockholders by providing access to the Proxy Materials on the internet, rather than mailing printed copies. If you received a Notice of Internet Availability of Proxy Materials (the “Notice”) by mail, you will not receive printed copies of the Proxy Materials unless you request them. Instead, the Notice will instruct you how to access and review the Proxy Materials on the internet. If you would like printed copies of the Proxy Materials, please follow the instructions in the Notice.

Why are you holding a virtual Annual Meeting?

We believe holding our Annual Meeting via live webcast is an environmentally friendly way to provide expanded access, improved communication and cost savings for us and our stockholders. The virtual meeting provides the same rights to participate as an in-person meeting. Stockholders will not be permitted to physically attend the Annual Meeting.

Who can participate in the Annual Meeting?

Persons with evidence of stock ownership as of the Record Date (as defined below), including both stockholders of record and stockholders whose shares are held in street name (as described below), can participate in the Annual Meeting by visiting www.virtualshareholdermeeting.com/EXFY2023. You will

need the 16-digit control number included on your Notice, on your proxy card or on the instructions that accompany your Proxy Materials. If you do not have a control number, please contact your brokerage firm, bank, broker-dealer or other nominee as soon as possible so that you can be provided with one. You may also submit pertinent questions in advance of the Annual Meeting by visiting www.proxyvote.com and entering your control number. Questions pertinent to meeting matters will be answered during the Annual Meeting, subject to time limitations. We will endeavor to answer as many questions submitted by stockholders as time permits. We reserve the right to edit profanity or other inappropriate language and to exclude questions regarding topics that are not pertinent to meeting matters or company business. If we receive substantially similar questions, we may group questions together and provide a single response to avoid repetition. Additional information regarding stockholder questions and participation, rules governing the conduct of the Annual Meeting, procedures and technical support can be viewed 15 minutes prior to the meeting at www.virtualshareholdermeeting.com/EXFY2023. If you encounter any difficulties while accessing the virtual meeting during the check-in or meeting time, you should call the technical assistance phone number that will be posted on the virtual stockholder meeting log in page, which will be made available 15 minutes prior to the start time of the meeting. We encourage you to access the meeting prior to the meeting start time.

Who may vote at the meeting?

Holders of our Class A common stock, LT10 common stock and LT50 common stock as of the close of business on April 24, 2023 (the "Record Date") may attend and vote at the Annual Meeting. Pursuant to the Voting Trust Agreement, each LT Holder has agreed that the trustees of the Voting Trust (the "Trustees"), currently David Barrett, Ryan Schaffer and Jason Mills, have full authority to vote his or her shares on all matters in the Trustees' sole and absolute discretion. On February 13, 2023, Ryan Schaffer submitted his resignation as one of the three trustees of the Voting Trust, effective as of May 14, 2023 or, if earlier, the date on which certain applicable state regulatory approvals have been received. Mr. Garrett Knight will succeed Mr. Schaffer as trustee upon the effectiveness of Mr. Schaffer's resignation. Accordingly, at the time of the Annual Meeting, it is expected that David Barrett, Garrett Knight and Jason Mills will have full authority to vote each LT Holder's shares on all matters in the Trustee's sole and absolute discretion. **Because all outstanding shares of LT10 common stock and LT50 common stock are held by the Voting Trust and voted by the Trustees of the Voting Trust, individual LT Holders will not receive proxy cards and are not eligible to cast votes at the Annual Meeting.**

How many votes do I have?

Holders of our Class A common stock are entitled to one vote for each share held as of the Record Date. Holders of our LT10 common stock are entitled to ten votes for each share held as of the Record Date. Holders of our LT50 common stock are entitled to fifty votes for each share held as of the Record Date. Holders of our Class A common stock, LT10 common stock and LT50 common stock will vote as a single class on all matters at the Annual Meeting. Pursuant to the Voting Trust Agreement, each LT Holder has agreed that the Trustees of the Voting Trust have full authority to vote his or her shares on all matters in the Trustees' sole and absolute discretion at the Annual Meeting. **Because all outstanding shares of LT10 common stock and LT50 common stock are held by the Voting Trust and voted by the Trustees, individual LT Holders will not receive proxy cards and are not eligible to cast votes at the Annual Meeting.**

What items will be voted on at the Annual Meeting and how does the Board of Directors recommend that I vote?

There are three proposals to be voted on at the Annual Meeting:

1. to elect eight directors to our Board of Directors;
2. to ratify the appointment of Ernst & Young LLP ("EY") as our independent registered public accounting firm for the fiscal year ending December 31, 2023; and

3. to vote, on an advisory basis, on the frequency of future advisory votes on the compensation of our named executive officers.

Our Executive Committee of the Board of Directors (the “Executive Committee”) on behalf of our Board of Directors recommends a vote “**FOR**” each nominee as a director for Proposal 1, “**FOR**” Proposal 2 and for “**ONE YEAR**” for Proposal 3. Our amended and restated bylaws require that we receive advance notice of any proposals to be brought before the Annual Meeting by our stockholders. We have not received any such proposals. We do not anticipate any other matters will come before the Annual Meeting. If any other matter properly comes before the Annual Meeting, the proxy holders appointed by our Executive Committee on behalf of our Board of Directors will have discretion to vote the shares subject to such proxies on those matters.

What vote is required for each proposal?

For Proposal 1, each director must be elected by a plurality of the votes cast. This means that the eight nominees receiving the largest number of “for” votes will be elected as directors. We do not have cumulative voting.

For Proposal 2, the ratification of the appointment of our independent registered public accounting firm for the fiscal year ending December 31, 2023, will be determined by the affirmative vote of the holders of a majority in voting power of the votes cast.

For Proposal 3, the advisory vote on the frequency of future advisory votes on the compensation of our named executive officers, if no frequency option receives the affirmative vote of the holders of a majority in voting power of the votes cast, the Board and Compensation Committee of the Board will consider the option that receives the most votes as the option selected by stockholders.

How will Expensify’s multi-class ownership structure and Voting Trust impact the outcome of the Annual Meeting?

Holders of our Class A common stock are entitled to one vote for each share held as of the Record Date. Holders of our LT10 common stock are entitled to ten votes for each share held as of the Record Date. Holders of our LT50 common stock are entitled to fifty votes for each share held as of the Record Date. Holders of our Class A common stock, LT10 common stock and LT50 common stock will vote as a single class on all matters at the Annual Meeting. At the close of business on the Record Date, we had outstanding and entitled to vote 68,507,268 shares of Class A common stock, 7,335,456 shares of LT10 common stock and 6,975,375 shares of LT50 common stock. All outstanding shares of our LT10 common stock and LT50 common stock are held directly by the Voting Trust, and pursuant to the Voting Trust Agreement, each LT Holder has agreed that the Trustees of the Voting Trust have full authority to vote his or her shares on all matters at the Annual Meeting in the Trustees’ sole and absolute discretion. As a result, the Trustees of the Voting Trust will be entitled to an aggregate of 422,123,310 votes on all matters to be voted upon at the Annual Meeting, representing approximately 86.0% of the total voting power of our outstanding common stock.

We expect the Voting Trust to vote FOR each of the nominees for director. As of the Record Date, the Voting Trust held sufficient shares of our common stock to ensure the election of such nominees at the Annual Meeting. We also expect the Voting Trust to vote FOR the ratification of our independent registered public accounting firm for the fiscal year ending December 31, 2023 and for ONE YEAR on the frequency of future advisory votes on the compensation of our named executive officers.

What is an abstention and how will votes withheld and abstentions be treated?

A “vote withheld,” in the case of the proposal regarding the election of directors, or an “abstention,” in the case of the two other proposals to be voted on at the Annual Meeting, represents a stockholder’s affirmative choice to decline to vote on a proposal. Votes withheld and abstentions are counted as present and entitled to vote for purposes of determining a quorum. Votes withheld have no effect on the election of directors and abstentions are not counted as votes cast and as such will have no effect on the

ratification of the appointment of EY or the approval of the frequency of future advisory votes on the compensation of our named executive officers.

What are broker non-votes?

Generally, broker non-votes occur when shares held by a broker in “street name” for a beneficial owner are not voted with respect to a particular proposal because the broker (1) has not received voting instructions from the beneficial owner and (2) lacks discretionary voting power to vote those shares. A broker is entitled to vote shares held for a beneficial owner on routine matters, such as the ratification of the appointment of EY as our independent registered public accounting firm, without instructions from the beneficial owner of those shares, and therefore we do not expect any broker non-votes on this proposal. On the other hand, absent instructions from the beneficial owner of such shares, a broker is not entitled to vote shares held for a beneficial owner on non-routine matters, such as the election of directors and the approval of the frequency of future advisory votes on the compensation of our named executive officers, and as such, broker non-votes will have no effect on those proposals. Broker non-votes count for purposes of determining whether a quorum is present.

What is the difference between a stockholder of record and a beneficial owner of shares held in street name?

Stockholder of Record. If your shares are registered directly in your name with our transfer agent, Computershare Trust Company, N.A., you are a stockholder of record. Each LT Holder is not a stockholder of record by virtue of shares he or she beneficially holds through the Voting Trust.

Beneficial Owner of Shares Held in Street Name. If your shares are held in an account at a brokerage firm, bank, broker-dealer or other nominee, then you are a beneficial owner of shares held in “street name.” The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct the organization holding your account on how to vote the shares you hold in your account.

How do stockholders of record vote?

There are four ways for stockholders of record to vote:

a. In Advance

- i. **Via the internet:** You may vote via the internet until 11:59 p.m. (Eastern Time) on the day before the Annual Meeting by visiting www.proxyvote.com and entering the unique control number for your shares located on your Notice or proxy card. If you submit a proxy over the internet, you do not need to return a written proxy card or voting instructions by mail.
- ii. **By telephone:** You may vote by phone until 11:59 p.m. (Eastern Time) on the day before the Annual Meeting by calling (800) 690-6903. You will need the control number from your Notice or proxy card. If you submit a proxy by telephone, you do not need to return a written proxy card or voting instructions by mail.
- iii. **By mail:** If you requested that the Proxy Materials be mailed to you, you will receive a proxy card with your Proxy Materials. You may vote by filling out and signing the proxy card and returning it in the envelope provided. The proxy card must be received by 8:00 p.m. (Eastern Time) on the day before the Annual Meeting.

- b. **During the Meeting:** You may also vote your shares during the live webcast of the Annual Meeting by visiting www.virtualshareholdermeeting.com/EXFY2023 and entering the company number and control number from your Notice or proxy card. Any previous votes that you submitted by mail, telephone or internet will be superseded.

How do beneficial owners of shares held in street name vote?

If you hold your shares through a brokerage firm, bank, broker-dealer or other similar organization, please follow their instructions. You may also elect to participate in the Annual Meeting via live webcast, through which you may vote online during the Annual Meeting prior to the closing of the polls, and any previous votes that you submitted will be superseded.

Can I change my vote after submitting a proxy?

Stockholders of record may revoke their proxy before the Annual Meeting (1) by delivering to the Company's Secretary at 401 SW 5th Ave, Portland, OR 97204 a written notice stating that a proxy is revoked, (2) by signing and delivering a proxy bearing a later date, (3) by voting again via the internet or by telephone or (4) by attending and voting during the Annual Meeting.

Beneficial owners of shares held in street name who wish to change their votes should contact the organization that holds their shares.

If I hold shares in street name through a broker, can the broker vote my shares for me?

If you hold your shares in street name and you do not vote, the broker or other organization holding your shares can vote on certain "routine" proposals but cannot vote on other proposals. Proposals 1 and 3 are not considered "routine" proposals. Proposal 2 is considered a "routine" proposal. If you hold shares in street name and do not vote on Proposals 1 or 3, your shares will be counted as "broker non-votes." Because Proposal 2 is considered "routine," brokerage firms, banks, broker-dealers and other nominees have discretionary authority to vote without receiving instructions.

What constitutes a quorum?

Presence at the Annual Meeting, virtually or by proxy, of the holders of a majority in voting power of the stock issued and outstanding and entitled to vote at the Annual Meeting will constitute a quorum, permitting the Annual Meeting to proceed and business to be conducted. Proxies received but with items marked as abstentions or containing broker non-votes will be included in the calculation of the number of votes considered to be present at the meeting for purposes of determining whether a quorum is present.

Who is paying for this proxy solicitation?

The Company is paying the costs of the solicitation of proxies. Members of our Board and officers and employees may solicit proxies by mail, telephone, fax, email or in person. We will not pay directors, officers or employees any extra amounts for soliciting proxies. We may, upon request, reimburse brokerage firms, banks, broker-dealers or other nominees representing street name holders for their expenses in forwarding Proxy Materials to their customers who are street name holders and obtaining their voting instructions.

Who will count the votes?

Representatives of Broadridge Investor Communications Services ("Broadridge") will tabulate the votes, and a representative of Broadridge will act as inspector of elections.

Where can I find voting results?

We will file a Current Report on Form 8-K with the SEC including the final voting results from the Annual Meeting within four business days of the Annual Meeting.

I share an address with another stockholder. Why did we receive only one set of Proxy Materials?

Some brokerage firms, banks, broker-dealers and other nominees may be participating in the practice of "householding" Proxy Materials. This means that only one copy of our Proxy Materials may be sent to multiple stockholders in your household. If you hold your shares in street name and want to receive separate copies of the Proxy Materials in the future, or if you are receiving multiple copies and would like to receive only one copy for your household, you should contact the brokerage firm, bank, broker-dealer or other nominee that holds your shares. If your shares are registered in your own name and you want to

receive separate copies of the Proxy Materials in the future, or if you are receiving multiple copies and would like to receive only one copy for your household, please contact our transfer agent by writing to them at Computershare Trust Company, N.A., P.O. Box 505000, Louisville, KY 40233-5000, or by calling 1-(800)-736-3001.

Upon written request, we will promptly deliver a separate copy of the Proxy Materials to any stockholder at a shared address to which a single copy of any of those documents was delivered. To receive a separate copy of the Proxy Materials, you can contact Expensify Investor Relations at investors@expensify.com or by mail at EXFY Investor Relations, 401 SW 5th Ave, Portland, OR 97204.

Who should I contact if I have additional questions?

You can contact Expensify Investor Relations at investors@expensify.com if you have additional questions related to the Annual Meeting. Stockholders who hold their shares in street name should contact the organization that holds their shares for additional information related to the Annual Meeting on how to vote.

Proposal 1: Election of Directors

Our amended and restated bylaws provide that our Board of Directors shall consist of such number of directors as shall from time to time be fixed by our Board of Directors. Currently, our Board of Directors is composed of eight members, three of whom have been determined by the Executive Committee on behalf of the Board of Directors to be independent directors as defined under the rules of The Nasdaq Stock Market LLC (“Nasdaq”). We do not have a classified board of directors. At each annual meeting of our stockholders, each of our directors will be elected by our stockholders to serve until the next annual meeting of our stockholders and until his or her successor is duly elected and qualified.

At the Annual Meeting, the stockholders will vote on the election of the eight director nominees named in this Proxy Statement. Each of the directors elected at the Annual Meeting will hold office until the 2024 Annual Meeting of Stockholders (the “2024 Annual Meeting”) and until his or her successor has been duly elected and qualified. The Board of Directors has nominated Mr. David Barrett, Ms. Anu Muralidharan, Mr. Ryan Schaffer, Mr. Daniel Vidal, Mr. Jason Mills, Mr. Timothy L. Christen, Ms. Ellen Pao and Ms. Ying (Vivian) Liu for re-election to serve as the directors of the Company. The persons named as proxies in the enclosed proxy card will vote to elect each director nominee named in this Proxy Statement unless a stockholder indicates that his or her shares should be withheld with respect to one or more of such nominees.

We expect the Voting Trust to vote in favor of the eight nominees for directors. Please see “Certain Relationships and Related Party Transactions” below for a description of the Voting Trust Agreement.

In the event that any nominee for director becomes unavailable or declines to serve as a director at the time of the Annual Meeting, the persons named as proxies will vote the proxies in their discretion for any nominee who is designated by the current Board of Directors to fill the vacancy. All of the nominees are currently serving as directors and we do not expect that any of the nominees will be unavailable or will decline to serve. Each of the nominees for director has agreed to be named in this Proxy Statement and to serve as a director if elected.

In determining that each director should be nominated for re-election, our Board of Directors considered his or her service, business experience, prior directorships and the qualifications, attributes and skills described in the nominee’s biography set forth below under “Corporate Governance—Executive Officers and Directors.” We believe that our directors provide an appropriate mix of experience and skills relevant to the size and nature of our business.

 **Our Executive Committee on behalf of our Board of Directors unanimously recommends that you vote “FOR” the election of each of Mr. Barrett, Mr. Schaffer, Ms. Muralidharan, Mr. Mills, Mr. Vidal, Mr. Christen, Ms. Liu and Ms. Pao.**

(d/b/a Wish), a mobile ecommerce platform since November 2021. Prior to Wish, Ms. Liu served as Chief Financial Officer of Shutterfly, Inc., a retailer and manufacturing platform for personalized products, from April 2020 to November 2021. Prior to Shutterfly, Inc., Ms. Liu served as the Chief Financial Officer and Senior Vice President of Lexmark Inc., a printing solutions company, from July 2017 to April 2020. Prior to Lexmark Inc., Ms. Liu served as VP, Finance of Huawei Technology, an enterprise networking solutions company, from October 2016 until July 2017. Ms. Pao holds a B.S.E in electrical engineering from Princeton University, a J.D. from Harvard Law School and an M.B.A from Harvard Business School. We believe that Ms. Pao is qualified to serve as a member of our board of directors due to her focus on diversity and inclusion and her experience as a board observer, board member, investor and advisor to technology startups since 2005.

CONTROLLED COMPANY

Because the Voting Trust controls more than 50% of the voting power of our outstanding common stock, we are considered a “controlled company” within the meaning of the corporate governance standards of

the Nasdaq. As a “controlled company”, we are permitted to and elect not to comply with certain corporate governance requirements of the Nasdaq, including the requirements that (i) a majority of our Board of Directors consist of independent directors, (ii) we either establish a nominating and corporate governance committee composed entirely of independent directors or ensure that nominees for director are determined or recommended to the Board of Directors by a majority of the independent members of the Board of Directors and (iii) we establish a compensation committee composed entirely of independent directors. For an indeterminate period, we intend to utilize these exemptions. As a result, although the Audit Committee of our Board (the “Audit Committee”) is fully independent as required by Nasdaq listing standards, we do not have a nominating and corporate governance committee, and the members of our Board’s Compensation Committee (the “Compensation Committee”) are not independent directors. Additionally, a majority of our directors are not currently independent and we do not expect in the immediate future that the majority of our directors will be independent. Accordingly, although we may transition to a Board with a majority of independent directors prior to the time we cease to be a “controlled company,” for such period of time our stockholders will not have the same protections afforded to stockholders of companies that are subject to all of these corporate governance requirements. In the event that we cease to be a “controlled company” and our shares continue to be listed on the Nasdaq, we will be required to comply with these provisions within the applicable transition periods.

DIRECTOR INDEPENDENCE

Our Executive Committee on behalf of our Board of Directors undertook a review of the Board of Directors’ composition, the composition of its committees and the independence of our directors and considered whether any director has a material relationship with us that could compromise that director’s ability to exercise independent judgment in carrying out that director’s responsibilities. Based upon information requested from and provided by each director, our Executive Committee on behalf of our Board of Directors has affirmatively determined that Mr. Christen, Ms. Liu and Ms. Pao are each an “independent director,” as defined under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and the rules of Nasdaq.

DIRECTOR NOMINATION PROCESS

The Executive Committee on behalf of the Board of Directors is responsible for identifying, evaluating and nominating candidates to serve on the Board of Directors and its committees. In evaluating director candidates, the Executive Committee considers the criteria set forth in our Corporate Governance Guidelines, as well as any other factors that they deem to be relevant, including:

- the candidate’s executive and directorial experience;
- the candidate’s professional and academic experience relevant to the Company’s industry;
- the strength of the candidate’s leadership skills;
- the candidate’s experience in finance and accounting and/or executive compensation practices;
- whether the candidate has the time required for preparation, participation, and attendance at meetings of the Board of Directors and committee meetings, if applicable;
- the candidate’s geographic background, gender, age and ethnicity; and
- the candidate’s experience at the Company, in the case of director candidates intended to sit on the Executive Committee.

Generally, the Executive Committee will consider candidates who have a high level of personal and professional integrity, strong ethics and the ability to make mature business judgments. The Executive Committee and the Board monitor the mix of specific experience, qualifications and skills of its directors in order to assure that the Board, as a whole, has the necessary tools to perform its oversight function effectively in light of the Company’s business and structure. Although the Executive Committee may consider whether nominees assist in achieving a mix of board members that represents a diversity of

background and experience, which is not only limited to race, gender or national origin, we have no formal policy regarding board diversity.

The Executive Committee will consider a candidate nominated by a stockholder in a manner consistent with its evaluation of potential nominees. Any recommendation submitted to the Company should be in writing and should include any supporting material the stockholder considers appropriate in support of that recommendation, but must include information that would be required under the rules of the SEC to be included in a proxy statement soliciting proxies for the election of such candidate and a written consent of the candidate to serve as one of our directors if elected, and must otherwise comply with the requirements under our amended and restated bylaws for stockholders to recommend director nominees.

Stockholder nominees should be submitted to the Company's Secretary at the Company's principal executive offices. All recommendations for director nominations received by the Secretary that satisfy requirements set forth in the SEC rules and in our amended and restated bylaws relating to such nominations will be presented to the Executive Committee for its consideration. Stockholders must also satisfy the notification, timeliness, consent and information requirements set forth in our amended and restated bylaws. These timing requirements are also described in this Proxy Statement under the caption "Stockholder Proposals."

MEETINGS OF BOARD OF DIRECTORS AND ATTENDANCE

During fiscal 2022, our Board of Directors held four meetings, our Compensation Committee held four meetings and our Audit Committee held five meetings. During fiscal 2022, each director attended at least 75% of the total number of meetings of the Board of Directors and committees on which the director served. Members of our Board of Directors are encouraged to attend annual meetings of stockholders; however we do not have a formal policy regarding attendance of directors at our annual meetings of stockholders. All of our directors, with the exception of one, attended our 2022 Annual Meeting of Stockholders.

The chair of the Audit Committee, or in his or her absence a director designated by the chair of the Audit Committee, presides over executive sessions of the independent directors, which are held on a regularly scheduled basis, not less than once per year.

COMMUNICATION WITH THE BOARD OF DIRECTORS

Any stockholder or other interested party who would like to communicate with the Board of Directors, the independent directors as a group or any specific member or members of the Board of Directors should send such communications to the attention of our Secretary at Expensify, Inc., 401 SW 5th Ave, Portland, OR 97204. Communications should contain instructions specifying for which member or members of the Board of Directors the communication is intended. Such communications generally will be forwarded to the intended recipients. However, our Secretary may, in his sole discretion, decline to forward any communications that are inappropriate.

COMMITTEES OF OUR BOARD OF DIRECTORS

Our Board of Directors directs the management of our business and affairs, as provided by Delaware law, and conducts its business through meetings and actions by unanimous written consent of the Board of Directors and duly authorized committees of the Board of Directors. For as long as the Voting Trust controls a majority of the voting power of our outstanding common stock, we will have a standing Executive Committee and Audit Committee. We established a Compensation Committee in March 2022. As a “controlled company” under Nasdaq’s rules and corporate governance standards, we are not required to have a nominating and corporate governance committee. In addition, from time to time, other committees may be established by the Board of Directors when necessary.

Executive Committee

Our amended and restated certificate of incorporation provides that for as long as the Voting Trust holds securities representing at least 50% of the voting power of our outstanding capital stock, the Executive Committee will be authorized to exercise all of the powers and authority of the Board of Directors in the management of our business and affairs, except for (i) matters that must be approved by the Audit Committee, (ii) matters that must be approved by a committee qualified to grant equity to persons subject to Section 16 of the Exchange Act for purposes of exempting transactions pursuant to Section 16b-3 thereunder, (iii) matters required under Delaware law to be approved by the full Board of Directors, or (iv) as otherwise required by SEC rules and the rules of Nasdaq. The Executive Committee may not delegate any or all of its powers and authority to a subcommittee. Our Executive Committee consists of Messrs. Barrett, Schaffer, Mills and Vidal and Ms. Muralidharan.

Audit Committee

Our Audit Committee is responsible for, among other things:

- appointing, compensating, retaining, evaluating, terminating and overseeing our independent registered public accounting firm;
- discussing with our independent registered public accounting firm its independence from management;

- reviewing with our independent registered public accounting firm the scope and results of their audit;
- approving all audit and permissible non-audit services to be performed by our independent registered public accounting firm;
- overseeing the financial reporting process and discussing with management and our independent registered public accounting firm the interim and annual financial statements that we file with the SEC;
- reviewing and monitoring our accounting principles, accounting policies, financial and accounting controls and compliance with legal and regulatory requirements;
- reviewing our policies on risk assessment and risk management;
- reviewing related party transactions; and
- establishing procedures for the confidential anonymous submission of concerns regarding questionable accounting, internal controls or auditing matters.

Our Audit Committee consists of Mr. Christen, Ms. Liu and Ms. Pao, with Mr. Christen serving as chair. Rule 10A-3 of the Exchange Act and Nasdaq rules require that our Audit Committee be composed entirely of independent members. Our Executive Committee on behalf of our Board of Directors has affirmatively determined that Mr. Christen, Ms. Liu and Ms. Pao each meet the definition of “independent director” for purposes of serving on the Audit Committee under Rule 10A-3 and Nasdaq rules. Each member of our Audit Committee meets the financial literacy requirements of Nasdaq listing standards. In addition, our Executive Committee on behalf of our Board of Directors has determined that Mr. Christen qualifies as an “audit committee financial expert,” as such term is defined in Item 407(d)(5) of Regulation S-K. Our Audit Committee operates under a written charter which satisfies the applicable listing standards of Nasdaq and which is available on our website at investors.expensify.com.

Compensation Committee

Our Compensation Committee is responsible for, among other things:

- reviewing and approving our compensation algorithm used to determine the compensation of all employees, including the Chief Executive Officer and all other executive officers. To the extent the compensation of any executive officer, including the Chief Executive Officer, is addressed outside of the algorithm, the Compensation Committee, excluding the applicable officer, reviews and approves such compensation;
- reviewing and recommending to our Executive Committee, or, if required, our Board of Directors the compensation of our directors;
- selecting independent compensation consultants and advisors and assessing whether there are any conflicts of interest with any of the Compensation Committee’s compensation consultants or advisors; and
- reviewing and approving, or recommending that our Executive Committee, or, if required, our Board of Directors approve, incentive compensation and equity plans.

Our Compensation Committee currently consists of Messrs. Barrett, Schaffer, Mills and Vidal and Ms. Muralidharan with Mr. Barrett serving as chair. Mr. Barrett, Mr. Schaffer and Ms. Muralidharan, each an executive officer, participate in the deliberations of the Compensation Committee in determining executive officer and director compensation, except as otherwise determined by the Compensation Committee. As a controlled company, we rely upon the exemption from the requirement that we have a Compensation Committee composed entirely of independent directors. The Compensation Committee may delegate any or all of its responsibilities to a subcommittee of the committee. In March 2022, the

Compensation Committee engaged Semler Brossy Consulting Group LLP (“Semler Brossy”) to serve as its compensation consultant to review and assess the compensation of our executive officers and other officers. Our compensation committee operates under a written charter which satisfies the applicable listing standards of Nasdaq and which is available on our website at [ir.expensify.com](#).

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation Committee, including our executive officers Mr. Barrett and Mr. Schaffer, participated in deliberations regarding the algorithm used to determine the compensation of all employees, including all executive officers. To the extent compensation of one of our executive officers was addressed outside of the algorithm, the applicable executive officer did not participate in such deliberations. Except as described below in the section titled “Related Person Transactions,” none of our Board members for fiscal 2022 had or have any relationships with the company during the last completed fiscal year that are required to be disclosed under Item 404 of Regulation S-K. None of our executive officers currently serve, or have served during the last completed fiscal year, on the compensation committee or board of directors of any other entity that has one or more executive officers serving as a member of our Board of Directors or Compensation Committee.

BOARD LEADERSHIP STRUCTURE

Our Corporate Governance Guidelines provide our independent directors the flexibility to elect a lead director if the chairperson of the Board of Directors is a member of management or does not otherwise qualify as independent. Our Board of Directors currently does not have a chairperson (or a lead director) and currently believes that our existing leadership structure is effective. Our Board of Directors will continue to periodically review our leadership structure and may make such changes in the future as it deems appropriate.

RISK OVERSIGHT

Our Board of Directors is responsible for overseeing our risk management process. Our Board of Directors focuses on our general risk management strategy, the most significant risks facing us, our material environmental, social and governance (“ESG”) risks and oversees the implementation of risk mitigation strategies by management. Our Board of Directors is also apprised of particular risk management matters in connection with its general oversight and approval of corporate matters and significant transactions.

CODE OF ETHICS AND CONDUCT

We have adopted a written code of ethics and conduct that applies to our directors, officers and employees, including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. A copy of the code is available on our investor relations website at [ir.expensify.com](#). In addition, we intend to post on our investor relations website all disclosures that are required by law or the listing standards concerning any amendments to, or waivers from, any provision of the code. The information on or accessed through our website is deemed not to be incorporated in or part of this Proxy Statement or any other document filed with or furnished to the SEC.

CORPORATE GOVERNANCE GUIDELINES

We have adopted written corporate governance guidelines to assist the Board in the exercise of its responsibilities. A copy of the corporate governance guidelines is available on our investor relations website at [ir.expensify.com](#). The information on or accessed through our website is deemed not to be incorporated in or part of this Proxy Statement or any other document filed with or furnished to the SEC.

ANTI-HEDGING POLICY

Our Board of Directors has adopted an Insider Trading Policy, which applies to all of our directors, officers and employees. The policy prohibits our directors, officers and employees from engaging in transactions intended to hedge or offset the market value of Expensify stock owned by them.

Environmental, Social, and Governance

OUR COMMITMENT TO ESG PRINCIPLES

There can be no sustainable, profitable growth without a market that is fair, inclusive and universal. We believe that defending, improving and expanding this market is a core responsibility of any business that intends to last as long as we do. ESG principles are core to our business strategy of achieving sustainable growth. We recognize our responsibility for the impacts of our operations and products on stakeholders, including employees, members, customers, stockholders and communities. We are committed to aligning with all stakeholders towards long-term, sustainable growth. In alignment with our business strategy, our Board of Directors and senior management team oversee and manage ESG risks and opportunities.

We reference industry standards including the Sustainability Accounting Standards Board (SASB), Global Reporting Initiative (GRI) and Financial Stability Board's Task Force on Climate-related Financial Disclosures (TCFD) to determine financially material topics and share progress on our efforts. As we aim to build a truly sustainable company, we know we are on a journey that involves continuous self-reflection and improvement. We are committed to continuing to excel in areas we are strongest and grow in areas where we can do better. As we work to continue to align with industry standards and share our efforts with our stakeholders, we may expand disclosures in these areas in the future - consistent with our commitment to developing a long-term sustainable business.

- **Managing systemic risks from technology disruptions.** Expensify is an always-on, business-critical service, committed to platform reliability. Maintaining operational continuity is a top priority and has a direct impact on our members' confidence and the sustainability of our business. We maintain a geographically-distributed platform architecture with redundancy against site failure and operational flexibility for managing platform changes. We perform regular testing, actively monitor performance issues, and conduct pre-scheduled maintenance without service interruptions. From January 1, 2022, to December 31, 2022, our average service uptime was over 99.9%, exceeding our target of three nines.
- **Ethics and conduct related to financial services products.** At Expensify, we prioritize trust, and the safety and security of our financial services products. Maintaining trust with our members is crucial for our brand reputation. We have robust internal controls to facilitate regulatory compliance and protect stockholder and customer value.
- **Recruiting & managing a global, diverse & skilled workforce.** Attracting and retaining a diverse and global workforce, with employees of different races, ethnicities, nationalities, religions, ages, gender identities, sexual orientations and more, is central to our ability to innovate and create value over the long term, and reflects our commitment to diversity, equity and inclusion in our core values. We are committed to eliminating bias in how we hire and compensate our employees, including equity-based hiring strategies and a democratic peer-ranked "blind" compensation system. We aim to empower every employee to create the career of their dreams. Our policies focus on aligning long-term employee and company interests, as well as robust growth and recognition programs.
- **Data privacy.** Customer privacy and maintaining customer trust is fundamental to Expensify's success. We prioritize strong data privacy practices, procedures, policies and programs for business success. We evaluate risks and control mechanisms annually with an independent third party, and review privacy considerations as part of product development. Risks and opportunities are identified, evaluated and managed on a regular basis to maintain compliance with changing global privacy laws and regulations. Customer agreements along with a variety of internal policies and external privacy policies describe how we safeguard customers' data. User data is not used for secondary purposes and we do not knowingly permit government monitoring in any country.

- **Data security.** Data security is essential to maintaining our members' trust, because we process and store sensitive financial and personally identifiable information. The control environment at Expensify reflects our commitment to data security. Our policies and procedures detail operational requirements that support system specifications, security commitments, and compliance with relevant laws and regulations.
- **Environmental footprint of hardware infrastructure and emissions.** We recognize the environmental impacts of our business, the impacts to our business of potential risks related to emissions such as carbon taxes and climate change, and the possibility for damage to our reputation and brand if we do not take action related to emissions and other environmental impacts. Expensify has engaged a third party to evaluate and model our Greenhouse Gas (GHG) emissions. In September 2021, we estimated our annual GHG emissions would be 4,736 tCO₂e for the year ended December 31, 2021, and as of September 2021, we successfully offset our projected annual carbon footprint based on that estimate with the goal of being carbon neutral for the year. We are currently in the process of evaluating our annual GHG emissions for the year ended December 31, 2022 and plan to offset our carbon footprint for the year once calculated.
- **Climate risks.** We recognize the risks posed by climate change to our operations and revenue, including risks associated with the transition to a low-carbon economy and the physical impacts of climate change. Our efforts to become carbon neutral are one part of our commitment to addressing climate change.
- **Commitment to long term thinking.** We believe that our environment, society, shareholders, and overall company will be best served if we remain focused on the long-term impacts of the decisions we make as a business. We aim to align all stakeholders around long-term thinking.

Proposal 2: Ratification of Appointment of Independent Registered Public Accounting Firm

The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the independent external audit firm retained to audit the Company's financial statements. Our Audit Committee has selected EY to serve as our independent registered public accounting firm to audit the consolidated financial statements of the Company for the fiscal year ending December 31, 2023. EY has served as our independent registered public accounting firm since 2020.

Stockholders are not required to ratify the appointment of EY as our independent registered public accounting firm. However, as a matter of good corporate governance, we are asking our stockholders to ratify the selection of EY as our independent registered public accounting firm for the fiscal year ending December 31, 2023. If stockholders fail to ratify the appointment, the Audit Committee will consider whether or not to retain EY. Even if the appointment is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and our stockholders.

Representatives of EY will be present at the Annual Meeting, will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

 **Our Executive Committee on behalf of our Board of Directors unanimously recommends that you vote "FOR" the ratification of EY as our independent registered public accounting firm for the fiscal year ending December 31, 2023.**

Principal Accountant Fees and Services

The following table sets forth the aggregate fees billed by EY to the Company for the fiscal years ended December 31, 2022 and December 31, 2021:

	2022	2021
Audit Fees ⁽¹⁾	\$ 3,825,410	\$ 3,311,790
Audit-Related Fees	\$ —	\$ —
Tax Fees	\$ —	\$ —
All Other Fees ⁽²⁾	\$ 3,470	\$ 2,000
Total	\$ 3,828,880	\$ 3,313,790

- (1) For fiscal 2021, Audit Fees consist of fees billed for audit services related to the audit of our 2021 annual consolidated financial statements, review of our quarterly consolidated financial statements; review of Form S-1s, comfort letters, consents and assistance with and review of other documents filed with the SEC; audit services provided in connection with other statutory and regulatory filings; and other accounting and financial reporting consultation and research work billed as audit fees or necessary to comply with the standards of the Public Company Accounting Oversight Board. For fiscal 2022, Audit Fees consist of fees billed for audit services related to the audit of our 2022 annual consolidated financial statements, review of our quarterly consolidated financial statements; audit services provided in connection with other statutory and regulatory filings; and other accounting and financial reporting consultation and research work billed as audit fees or necessary to comply with the standards of the Public Company Accounting Oversight Board.
- (2) All Other Fees consists of fees billed for permitted products and services not included in the first three categories.

AUDIT COMMITTEE PRE-APPROVAL

Consistent with the requirements of the SEC and the Public Company Accounting Oversight Board regarding auditor independence, our Audit Committee is responsible for appointing, setting compensation for, and overseeing the work of our independent registered public accounting firm. In recognition of this responsibility, our Audit Committee pre-approves all audit and permissible non-audit services provided by the independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services. All services performed by EY for the Company and its subsidiaries pursuant to engagements entered into since our IPO have been pre-approved by the Audit Committee.

Report of the Audit Committee

The material in this report is being furnished and shall not be deemed “filed” with the SEC for purposes of Section 18 of the Exchange Act, or otherwise subject to the liability of that section, nor shall the material in this section be deemed to be “soliciting material” or incorporated by reference in any registration statement or other document filed with the SEC under the Securities Act of 1933, as amended (the “Securities Act”), or the Exchange Act, except as otherwise expressly stated in such filing.

The principal purpose of the Audit Committee is to assist the Board of Directors in its general oversight of our accounting practices, system of internal controls, audit processes and financial reporting processes and is governed by its charter. The Audit Committee is responsible for appointing and retaining our independent auditor and approving the audit and non-audit services to be provided by the independent auditor.

Management is responsible for preparing the financial statements and ensuring they are complete and accurate and prepared in accordance with generally accepted accounting principles. EY, our independent registered public accounting firm, is responsible for performing an independent audit of our consolidated financial statements and expressing an opinion on the conformity of those financial statements with generally accepted accounting principles.

The Audit Committee has reviewed and discussed with our management and EY our audited consolidated financial statements for the year ended December 31, 2022. Our Audit Committee has also discussed with EY the matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board and the SEC.

The Audit Committee has received and reviewed the written disclosures and the letter from EY required by applicable requirements of the Public Company Accounting Oversight Board regarding EY’s communications with our Audit Committee concerning independence, and has discussed with EY its independence from us.

Based on the above-mentioned review and discussions, the Audit Committee recommended to our Board of Directors that the audited consolidated financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2022 for filing with the SEC.

Proposal 3: Frequency of Future Advisory Votes on Executive Compensation

Pursuant to Section 14A of the Exchange Act we are presenting this non-binding advisory stockholder vote with respect to the frequency on which stockholders should have an opportunity to provide a “say-on-pay” vote. This vote is commonly known as the “say-on-frequency” vote. By voting on this proposal, stockholders may indicate whether they prefer that the Company provide for such a stockholder advisory vote at future annual meetings every one year, two years or three years. Stockholders may also abstain from the vote. As 2024 is the first year in which we are required to hold an advisory vote on executive compensation pursuant to the rules of the SEC, we do not currently have an established frequency for such votes.

The Executive Committee on behalf of the Board of Directors believes that providing stockholders an advisory vote on the compensation of our named executive officers every year provides stockholders with the opportunity to provide regular direct input to the Board of Directors and its Compensation Committee about the Company’s executive compensation program.

Because your vote is advisory, it will not be binding upon the Company or the Board of Directors. The Board of Directors may determine that it is in the best interests of our stockholders and the Company to hold a say-on-pay vote more or less frequently than may be determined by this advisory vote of our stockholders. Nonetheless, the Compensation Committee and the Board of Directors will take into account the outcome of this advisory vote when considering how frequently to seek an advisory say-on-pay vote in future years.

While the Executive Committee on behalf of the Board of Directors recommends that a say-on-pay vote occur every year, you are not voting to approve or disapprove of the Executive Committee’s recommendation. Rather, you will be able to express your preference regarding the frequency of future say-on-pay votes, as follows: every (i) one year, (ii) two years, or (iii) three years, or (iv) abstain.

Our Executive Committee on behalf of our Board of Directors unanimously recommends that you vote for the option of “ONE YEAR” for the frequency of future non-binding advisory votes on executive compensation.

Director Compensation

OVERVIEW

We maintain a Non-Employee Director Compensation Program that is applicable to our directors who are not serving as our employees (each a “Non-Employee Director”). Directors who are employed by us did not receive additional compensation for their services as directors in fiscal 2022.

ANNUAL RETAINER

Each Non-Employee Director receives an annual cash retainer for his or her services equal to \$30,000 plus any committee specific retainers (together the “Annual Retainer”), payable quarterly in arrears, and pro-rated to reflect any partial year served. Audit Committee members are paid an additional \$10,000, except that the chair of the Audit Committee is paid an additional \$20,000. Non-Employee Directors may elect to receive 0 - 100% of their retainer in the form of a grant of restricted stock units (“RSUs”) instead of cash (each, a “Retainer RSU Award”). Each RSU constitutes the right to receive a single share of our Class A common stock. Each Retainer RSU Award will automatically be granted on the fifth day of the month immediately following the end of the quarter for which the corresponding portion of the Annual Retainer was earned. The number of RSUs granted is calculated by dividing the dollar value of the portion of the annual retainer that would have otherwise been paid to such Non-Employee Director in cash on the applicable grant date by (ii) the average per share closing trading price of our Class A common stock over the 30 consecutive trading days ending on the trading day immediately preceding the grant date. Each Retainer RSU Award is fully vested on the grant date.

EQUITY COMPENSATION

Pursuant to the Non-Employee Director Compensation Program, each Non-Employee Director who was initially elected or appointed to serve on our Board on or after our IPO was granted an award of a number of RSUs equal to (i) \$250,000 divided by (ii) the average per share closing trading price of our Class A common stock over the 30 consecutive trading days ending on the trading day immediately preceding the grant date or, solely for Non-Employee Directors who commenced service on the date of the IPO, the offering price to the public in the IPO (the “Initial RSU Award”). The Initial RSU Award is automatically granted on the date on which such Non-Employee Director commences service on the Board. The Initial RSU Award vests over a three year period in twelve substantially equal quarterly installments, subject to the Non-Employee Director’s continued service on the Board through each such vesting date.

Additionally, each Non-Employee Director who (i) has been serving on the Board for at least four months as of each annual meeting of our stockholders after the IPO and (ii) will continue to serve as a Non-Employee Director immediately following such meeting, will be granted an award of a number of RSUs calculated by dividing (i) \$125,000 by (ii) the average per share closing trading price of our Class A common stock over the 30 consecutive trading days ending on the trading day immediately preceding the grant date (each, an “Annual RSU Award”). The Annual RSU Award will be automatically granted on the date of the applicable annual meeting of stockholders, and will vest in full on the earlier of (i) the first anniversary of the grant date and (ii) immediately before the annual meeting of stockholders following the grant date, subject to the Non-Employee Director’s continued service on the Board through such vesting date.

The following table provides additional detail regarding the fiscal 2022 compensation of our Non-Employee Directors:

Name	Fees Paid in Cash (\$)		Stock Awards (\$)⁽¹⁾		Total
Tim Christen	\$	48,575	\$	112,106	\$ 160,681
Vivian Liu	\$	38,866	\$	112,106	\$ 150,972

Executive Compensation

Compensation Discussion and Analysis

GENERAL

In this Compensation Discussion and Analysis (“CD&A”), we provide an overview and analysis of the compensation awarded to or earned by our named executive officers (“NEOs”, each individually an “NEO”) during fiscal year 2022, including elements of our compensation program for NEOs, material compensation decisions made under that program for fiscal year 2022, and the material factors considered in making those decisions.

Our NEOs for fiscal year 2022, which constitute all of our executive officers, were as follows:

- David Barrett, our Chief Executive Officer;
- Ryan Schaffer, our Chief Financial Officer; and
- Anu Muralidharan, our Chief Operating Officer.

EXECUTIVE SUMMARY

Compensation Philosophy

We’ve designed a compensation program that we believe results in the fairest compensation for all employees, including our NEOs. Most companies operate with a traditional hierarchy which means the compensation of any given employee is decided by their supervisor. However, we operate as a flat organization with no such hierarchy in place. We believe that every individual employee’s compensation should be tied to the perceived value they are bringing to the company as measured by their peers. This removes the traditional prisoner’s dilemma in which any given person benefits by working to increase their own compensation while decreasing everyone else’s. The program is designed such that any group of people bringing the same value to the company are compensated exactly the same. The system also allows for outliers, meaning that any shining star employees can stand alone and be compensated accordingly.

DETERMINATION OF EXECUTIVE COMPENSATION

At the core of our compensation program for our employees, including our NEOs, is the compensation algorithm we use to establish all of our employees’ target compensation level. Our Compensation Committee, of which all of our NEOs are members, approves the compensation algorithm used for all employees each year. Our Compensation Committee approves any exceptions to the compensation algorithm, provided, that if an exception is sought for a member of the Compensation Committee, that Compensation Committee member is not present for deliberations regarding the exception and abstains from any vote to approve the exception.

The compensation algorithm’s principal input is a semi-annual compensation review process. Each compensation review cycle, our Compensation Committee reviews the compensation of all employees and service providers who have been employed with or provided services to the Company for at least 6 months and wish to participate. Participation is mandatory for those in the Company’s leadership track, including our NEOs. For each compensation review cycle the sum of all raises must be less than 10% of the current sum of all compensation for all employees. Each employee may receive a maximum raise of 25% of their current compensation.

Each participant in the process uses a tool developed by the Company to perform head to head matches of every employee who is eligible for their compensation to be reviewed. Each of our NEOs, including our CEO, is matched with every other employee who is eligible. Eligible employees, including NEOs, may use

their discretion in determining which employee in each match should be compensated higher than the other. An employee's position in the Company's leadership track has a multiplier effect on their results, the higher in the leadership track they are, the more heavily their votes are weighted. The weighting for each tier adjusts based on how many total participants there are from each tier. Each NEO had an estimated multiplier of 3.8 for compensation review periods in 2022. Once all matches are completed for all participating employees, any outlier data, defined as data over two standard deviations from the average weighted wins for that employee, is removed, up to 10% of the data per employee. The results are aggregated into a ranked list sorted by the weighted number of wins each employee had. Each employee is placed on an asymptotic curve according to their weighted number of wins such that if an employee had the exact same number of weighted wins during the last compensation review cycle they would receive a raise equal to the inflation rate.

The output of the compensation algorithm is used to produce a target compensation number for each employee, including each NEO. Unless an employee has changed roles at the company during the compensation review period, an employee's target compensation is never adjusted down. The highest tier of our leadership track, which includes each NEO, reviews the output to ensure it aligns with expectations and make any changes based on their knowledge of each employee. They then provide the output to the Compensation Committee for review and approval.

The Compensation Committee has the authority to retain a compensation consultant, and to approve the consultant's fees and all other terms of its engagement. During fiscal 2022, the committee retained Semler Brossy as its compensation consultant. Semler Brossy assisted the Compensation Committee by providing data with respect to compensation paid to executive officers of public companies in our industry of a similar size and scope and discussing named executive officer pay recommendations with the Compensation Committee. While we review this third-party survey information to understand competitive compensation practices and levels, we do not benchmark to a specific level when referencing this information. Further, pursuant to SEC rules, the Compensation Committee conducted a conflicts of interest assessment and determined that there is no conflict of interest resulting from the Compensation Committee's retention of Semler Brossy.

ELEMENTS OF COMPENSATION

Target Compensation

As described above, executive compensation is reassessed twice a year in conjunction with our compensation review process for all employees using the compensation algorithm. In March 2022, the total compensation target of Mr. Barrett, Mr. Schaffer and Ms. Muralidharan was increased to \$4,934,439, \$1,330,426 and \$1,090,411, respectively. In September 2021, Ms. Muralidharan's target compensation was increased to \$1,190,906 and Messrs. Barrett and Schaffer's total compensation remained the same as March 2022. The actual amount of target compensation paid to each NEO during fiscal year 2022 is set forth below in the base salary column of the Summary Compensation Table. Our Compensation Committee did not apply any discretionary adjustments to the results of the compensation algorithm for any NEO for either compensation review cycle.

We require each of our NEOs to contribute at least a combined 30% of his or her target compensation to our 2021 Stock Purchase and Matching Plan and legacy equity programs, and each NEO may elect to contribute additional amounts, up to 100%, of his or her target compensation, to the 2021 Stock Purchase and Matching Plan. Under the 2021 Stock Purchase and Matching Plan, contributions are accumulated from payroll deductions over consecutive quarterly purchase periods. At the end of each purchase period, shares are purchased based on the closing trading price of our Class A common stock on the date of purchase using the accumulated contributions. We then make a matching contribution based on shares purchased and retained. For 2022, the matching rate was 5%, meaning for each share purchased and retained as of a quarterly purchase date, we issued 1/20th of a share of Class A common stock at no cost to the NEO. For 2022, Mr. Barrett, Mr. Schaffer and Ms. Muralidharan contributed 95%, 32%, 78%, respectively, of their target compensation to our equity programs, of which 83%, 6% and 57% was

contributed to the 2021 Stock Purchase and Matching Plan. See “Equity-Based Compensation” below for a description of the matching shares issued to each NEO.

The actual amount of target compensation paid to each NEO during fiscal year 2022, including amounts contributed by the NEO to the 2021 Stock Purchase and Matching Plan, is set forth below in the Summary Compensation Table under the column titled “Base Salary.”

While no discretion was applied during 2022, our Compensation Committee may adjust base salaries from time to time outside of the compensation review cycle and compensation algorithm described above in their discretion.

Bonuses

We do not maintain a performance-based bonus program. However, our board of directors and Compensation Committee have the authority to provide additional discretionary bonuses to our NEOs whenever it determines it is necessary or appropriate to incentivize them or reward them for past performance.

Equity-based Compensation

The principal form of equity compensation for our NEOs in 2022 was through our 2021 Stock Purchase and Matching Plan, in which all of our employees and service providers are eligible to participate. Under the 2021 Stock Purchase and Matching Plan, our employees, including our NEOs, can purchase shares of our Class A common stock using accumulated payroll deductions over quarterly purchase periods. The purchase price for shares of our Class A common stock is equal to the closing trading price of our Class A common stock on the date of purchase. We match a portion of shares purchased or otherwise awarded under the 2021 Stock Purchase and Matching Plan by issuing fully vested shares of our Class A common stock on the date of purchase. In 2022, the matching rate was 1/20th per share purchased and retained under the 2021 Stock Purchase and Matching Plan. Our NEOs purchased the following shares and received the following matching shares during 2022:

Name	Payroll Deductions Applied Towards the Purchase of Shares	Shares of our Class A Common Stock Purchased	Fully-Vested Shares of our Class A Common Stock Issued as Matching Shares	Value of Shares issued as Matching Shares as of the Date of Issuance
David Barrett	\$ 574,577	42,739	3,899	\$ 48,565
Ryan Schaffer	\$ 25,187	2,069	152	\$ 1,755
Anu Muralidharan	\$ 127,078	8,636	803	\$ 10,066

OTHER ELEMENTS OF COMPENSATION

Retirement Savings and Health and Welfare Benefits

The Company currently maintains a 401(k) retirement savings plan for our employees, including our NEOs, who satisfy certain eligibility requirements. Our NEOs are eligible to participate in the 401(k) plan on the same terms as other full-time employees.

All of our full-time employees, including our NEOs, are eligible to participate in our health and welfare plans, including medical, dental and vision benefits; medical and dependent care flexible spending accounts; short-term and long-term disability insurance; and life and AD&D insurance.

Perquisites and Other Personal Benefits

Our compensation committee from time to time may provide additional perquisites and personal benefits to our NEOs when it determines that it is necessary or advisable to fairly compensate or incentivize our NEOs. No perquisites or other personal benefits were provided to any of our NEOs in 2022.

Section 162(m).

Section 162(m) of the Internal Revenue Code disallows a tax deduction to public companies for compensation in excess of \$1 million paid to “covered employees”, which generally includes all NEOs. While the Compensation Committee may take the deductibility of compensation into account when making compensation decisions, the Compensation Committee will award compensation that it determines to be consistent with the goals of our executive compensation program even if such compensation is not deductible by us.

Policy Prohibiting Speculative Transactions and Hedging

In accordance with our insider trading policy, which is reviewed by our Executive Committee annually, we do not permit any officer, director or employee, or their respective family members, to directly or indirectly participate in certain trading activities related to our common stock that are considered aggressive or speculative in nature, including short sales, publicly-traded options, hedging transactions, and margin purchases.

Limited Pledging Policy

In limited circumstances and in accordance with pre-approved guidelines, employees of the company, including NEOs, may pledge up to 25% of their Expensify stock holdings as collateral for a loan, excluding margin loans.

Clawback Policy

While our Chief Executive Officer and Chief Financial Officer are subject to any recovery rights that are provided under applicable laws, including the Sarbanes-Oxley Act, we have not yet adopted a compensation recovery policy as will be required under the Dodd-Frank Act. We are reviewing the final clawback rule adopted by the SEC that implements the applicable provisions of the Dodd-Frank Wall Street Reform and Consumer Protection Act and Nasdaq’s related proposed listing standard, in each case relating to recoupment of incentive-based compensation. We will implement its clawback policy in accordance with the new listing standard when the new listing standard becomes final.

Any shares acquired prior to vesting may be repurchased by us for the original exercise price upon any termination of employment. The repurchase right lapses in accordance with the option's vesting schedule.

(2) Amounts reported were calculated by multiplying the number of RSUs outstanding as of December 31, 2022 by \$8.83, the closing price of our Class A Common Stock on December 30, 2022, the last trading day in 2022.

(3) The option is fully vested and exercisable.

(4) The option is exercisable immediately upon grant and vests as to 1/72nd of the shares on each monthly anniversary of the vesting commencement date, subject to the holder continuing to provide services to the Company through such vesting date. Any shares acquired prior to vesting may be repurchased by us for the original exercise price upon any termination of employment. The repurchase right lapses in accordance with the option's vesting schedule.

(5) Each RSU constitutes the right to receive one-half of one share of the Company's Class A common stock and one-half of one share of the Company's LT50 common stock upon vesting. 12.5% of the RSUs in substantially equal installments on each quarterly anniversary of the vesting commencement date through the 8th anniversary of the vesting commencement date, subject to the holder continuing to provide services to the Company through the applicable vesting date.

(2) Amounts are calculated by multiplying the number of shares underlying RSUs that vested by our closing stock price on the vesting date, or, for shares issued under our 2021 Stock Purchase and Matching Plan, the date of issuance since all such shares were fully vested on the date of issuance.

Potential Payments Upon Termination or Change in Control

Executive Employment Agreements

We have entered into employment agreements with each of our NEOs that set forth the terms of their at-will employment with us. Under the employment agreements, the NEOs are not entitled to any payments or benefits upon an involuntary termination of employment. Each of our NEOs have also entered into standard confidential information and invention assignment agreements with us.

Equity Plans

Under the terms of our 2021 Incentive Award Plan, in the event of a change in control of the Company, if outstanding awards are not assumed or substituted then the awards will fully vest as of immediately prior to the change in control. No other equity plan or individual award agreement provides for accelerated vesting in the event of a change in control or termination of employment.

Estimated Potential Payments

No payments would have been made to any of our NEOs upon the occurrence of a termination of employment or a change in control occurring on December 31, 2022.

CEO PAY RATIO

In accordance with applicable SEC rules, we are providing the ratio of the total annual compensation of our CEO, David Barrett, to that of our median compensated employee for fiscal 2022. Mr. Barrett's total annual compensation for 2022, as reported in the Summary Compensation Table above, was \$1,654,892. The total annual compensation of the employee identified as our median compensated employee (excluding our CEO) for 2022 was \$233,528. The ratio of our CEO's total compensation for 2022 to the total compensation of our median compensated employee was approximately 7 to 1.

To identify our median compensated employee for purposes of this pay ratio disclosure, we first determined that on December 31, 2022, we had 138 full-time, part-time, and temporary employees other than Mr. Barrett. We ranked the annual compensation of this employee population based on compensation reportable on IRS Form W-2 in the United States and comparable tax reporting documents in other countries. After identifying the median compensated employee from this ranking, we calculated annual total compensation for such employee during fiscal 2022 using the same methodology we use to calculate the total compensation of our CEO as set forth in the Summary Compensation Table above.

This pay ratio is a reasonable estimate calculated in a manner consistent with SEC rules based on our payroll and employment records and the methodology described above. The SEC rules for identifying the median compensated employee and calculating the pay ratio based on his or her annual total compensation allow companies to use a variety of methodologies, to apply certain exclusions, and to

make reasonable estimates and assumptions that reflect their compensation practices. As such, the pay ratio reported by other companies may not be comparable to the pay ratio we report above, as other companies may have different employment and compensation practices and may use different methodologies, exclusions, estimates and assumptions to calculate their own pay ratios.

The information disclosed in this section was developed and is provided solely to comply with specific legal requirements. We do not use this information in managing our Company and the Compensation Committee does not consider this in any of its deliberations.

PAY VERSUS PERFORMANCE

In accordance with rules adopted by the Securities and Exchange Commission pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, we provide the following disclosure regarding executive compensation for our principal executive officer ("PEO") and Non-PEO NEOs and Company performance for the fiscal years listed below. The Compensation Committee did not consider the pay versus performance disclosure below in making its pay decisions for any of the years shown.

These amounts reflect the Summary Compensation Table Total with certain adjustments as described in footnote 3 below.

(3) Compensation Actually Paid reflects the exclusions and inclusions of certain amounts for the PEO and the Non-PEO NEOs as set forth below. Security Ownership of Certain Beneficial Owners and Management

The following table sets forth information with respect to beneficial ownership of our common stock as of April 24, 2023 for (i) each of our directors, (ii) each person known to us to be the beneficial owner of more than five percent of any class of our voting securities, (iii) each of our named executive officers, and (iv) all of our current executive officers and directors as a group.

We have determined beneficial ownership in accordance with the rules of the SEC, and thus it represents sole or shared voting or investment power with respect to our securities. Unless otherwise indicated below, to our knowledge, the persons and entities named in the table have sole voting and sole investment power with respect to all shares that they beneficially owned as of April 24, 2023, subject to community property laws where applicable. We have deemed shares of our common stock subject to stock options that are currently exercisable or will be exercisable within 60 days of April 24, 2023 or net issuable pursuant to RSUs which are subject to vesting and settlement conditions expected to occur within 60 days of April 24, 2023 to be outstanding and to be beneficially owned by the person holding the stock option or RSU for the purpose of computing the percentage ownership of that person. However, other than the shares of our Class A, LT10 or LT50 common stock net issued upon the vesting and settlement of RSUs as described below, we did not deem these shares subject to stock options or RSUs outstanding for the purpose of computing the percentage ownership of any other person or entity. The percentage of shares beneficially owned is based on 68,507,268 shares of Class A common stock, 7,335,456 shares of LT10 common stock and 6,975,375 shares of LT50 common stock outstanding as of April 24, 2023.

Unless otherwise indicated, the address of each beneficial owner listed in the table below is c/o Expensify, Inc., 401 SW 5th Ave, Portland, Oregon 97204.

Each of the stockholders listed has sole voting and investment power with respect to the shares beneficially owned by the stockholder unless noted otherwise, subject to community property laws where applicable.

THE VOTING TRUST AND VOTING TRUST AGREEMENT

In connection with the exchange offer, we entered into the Voting Trust Agreement, dated as of November 9, 2021, with all LT Holders and the Trustees. The Voting Trust Agreement is intended to maintain a centralized decision-making process centered around our employees, encourage our employees to hold our common stock for the long-term and provide an orderly process for the conversion and transfer of our LT10 and LT50 common stock pursuant to our amended and restated certificate of incorporation. All of the outstanding shares of our LT10 and LT50 common stock are held by the Voting Trust, and will be for the foreseeable future pursuant to the terms of the Voting Trust Agreement and our amended and restated certificate of incorporation. From time to time, employees and other service providers may deposit additional voting securities of the company in the Voting Trust, including Class A common stock, and will enter into a joinder agreement to become a party to the Voting Trust Agreement if such employee is not then a party. Shares of Class A common stock held by the Voting Trust may be withdrawn by their beneficial holder in certain circumstances.

The current Trustees of the Voting Trust are David Barrett, our director and CEO, Ryan Schaffer, our director and CFO, and Jason Mills, our director, each of whom has been a Trustee since the formation of the Voting Trust. On February 13, 2023, Mr. Schaffer submitted his resignation as a Trustee, effective as of May 14, 2023 or, if earlier, the date on which certain applicable state regulatory approvals have been received, due to his no longer satisfying the beneficial ownership requirements of Section 1(b)(iii) of the Voting Trust Agreement. Pursuant to that section, the remaining Trustees voted to appoint Garrett Knight, and Mr. Knight consented, to succeed Mr. Schaffer as Trustee upon the effectiveness of Mr. Schaffer's resignation. Mr. Knight has also agreed to execute a joinder to become a party to the Voting Trust Agreement, as Trustee, in connection with the effectiveness of his appointment.

If at any time a Trustee (i) is unable or unwilling to serve as a Trustee by reason of death, incapacity or otherwise, (ii) ceases to be an Expensify employee or other service provider to Expensify, or (iii) is, after November 9, 2022, no longer one of the three holders of voting securities with the highest voting power held by the Voting Trust, unless the holder or holders with higher voting power have rejected the opportunity to serve as Trustee or are otherwise unable or unwilling to serve as Trustee, then such Trustee shall resign or be removed. Successor Trustees will be appointed by majority vote of the remaining Trustees, or if there are no remaining Trustees, by our Board of Directors. The policy of the Trustees with respect to appointment of each successor Trustee is to offer the opportunity to serve as such Trustee to the holder of voting securities held by the Voting Trust who is then an employee of or service provider to Expensify and beneficially owns voting securities with the highest voting power (other than the then-

existing Trustees). The policy of the Trustees is to first offer the opportunity to serve as successor Trustee to the Expensify employee or service provider holder holding voting securities with the next-highest voting power held by the Voting Trust. If such holder does not accept this offer within ten days, then the Trustees will offer the opportunity to serve as successor Trustee to the Expensify employee or service provider holder holding voting securities with the next-highest voting power, and so on, until a holder accepts the offer to serve as Trustee. When calculating "voting power" in connection with Trustee service, if Notice (as defined in our amended and restated certificate of incorporation) has been given with respect to any shares held by the current or potential Trustee, then the number of votes attributed to each LT10 or LT50 share held by such individual shall be proportionately reduced by the amount of time that has passed under the applicable notice period (i.e., a one-vote reduction for each one month that has passed since Notice was given).

Under the Voting Trust Agreement, the Trustees make all decisions with respect to the voting (but not the disposition) of the shares of common stock contributed to the Voting Trust, together with any future voting securities received in respect of such common stock by way of a stock dividend, distribution, conversion or exchange, in their sole and absolute discretion (including in his or her own interest as a holder of Expensify voting securities), and shall incur no responsibility under the Voting Trust Agreement as a stockholder, trustee or otherwise, except for his or her own individual malfeasance. The acting Trustees have the power to vote all securities held by the Voting Trust in their sole and absolute discretion as determined by a majority of the Trustees. Although the Voting Trust Agreement does not require the Trustees to use specific criteria when determining how to vote the securities held by the Voting Trust, the qualifications required for an individual to serve as a Trustee are intended to provide alignment with the interests of the other beneficial holders. The three Trustees will at all times be employees or other service providers of the Company, and will be among the largest holders of our restricted LT10 and LT50 common stock. We believe that these qualifications will result in the Trustees making decisions based on the long-term interests of the Company, its employees and service providers. Although it contains certain arbitration provisions, nothing in the Voting Trust Agreement precludes stockholders' rights to pursue claims under the United States federal securities laws. The Voting Trust is irrevocable and terminates upon the earlier of the written agreement between us and the Trustees and the date on which all shares of LT10 and LT50 common stock automatically convert into shares of Class A common stock in accordance with the terms of our amended and restated certificate of incorporation. As of April 24, 2023, the Voting Trust controlled approximately 86.0% of the total voting power of the Company.

We have entered into indemnification agreements with each of our current directors and officers. Our amended and restated certificate of incorporation provides rights to indemnification and advancement of

expenses to our current and former officers, directors, employees and agents and to any person who is or was serving at the request of the Company as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise. Our amended and restated bylaws provide that we will indemnify our directors and officers to the fullest extent permitted by applicable law.

POLICIES AND PROCEDURES FOR RELATED PERSON TRANSACTIONS

Our Board has adopted a written policy that our executive officers, directors, nominees for election as a director, beneficial owners of more than 5% of any class of our common stock and any members of the immediate family of any of the foregoing persons are not permitted to enter into a related person transaction with us without the approval or ratification of our Board of Directors or our Audit Committee. Any request for us to enter into a transaction with an executive officer, director, nominee for election as a director, beneficial owner of more than 5% of any class of our common stock or any member of the immediate family of any of the foregoing persons, in which the amount involved exceeds \$120,000 and such person would have a direct or indirect interest, must be presented to our Board of Directors or our Audit Committee for review, consideration and approval. In approving or rejecting any such proposal, our Board of Directors or our Audit Committee is to consider the material facts of the transaction, including whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances and the extent of the related person's interest in the transaction.

Stockholder Proposals

Stockholders may present proposals for action at a future meeting only if they comply with the requirements of the proxy rules established by the SEC and our amended and restated bylaws.

Stockholders intending to present a proposal at our 2024 Annual Meeting, but not include the proposal in our proxy statement, or to nominate a person for election as a director must comply with the requirements set forth in our amended and restated bylaws, including requirements with respect to advance notice of stockholder proposals and director nominations. Under our amended and restated bylaws, the deadline for submitting such a stockholder proposal or a nomination for a director that you intend to present at our 2024 Annual Meeting is no later than the close of business on March 23, 2024, nor earlier than February 22, 2024.

Stockholder proposals must comply with all requirements and applicable rules of the SEC, be in writing and be addressed to our Secretary, at our principal executive offices at 401 SW 5th Ave, Portland, OR 97204. It is recommended that stockholders submitting proposals utilize certified mail, return receipt requested, in order to provide proof of timely receipt. The Chairman of the 2024 Annual Meeting reserves the right to reject, rule out of order or take other appropriate action with respect to any proposal or director nominee that does not comply with these and other applicable requirements, including conditions set forth in our amended and restated bylaws and requirements established by the SEC.

In addition to satisfying the requirements under our amended and restated bylaws, to comply with the universal proxy rules, stockholders who intend to solicit proxies in support of director nominees other than our nominees must provide notice to the Company that sets forth the information required by Rule 14a-19 under the Exchange Act no later than April 22, 2024.

We intend to file a proxy statement and WHITE proxy card with the SEC in connection with the solicitation of proxies for our 2024 Annual Meeting.

Delinquent Section 16(a) Reports

Such persons are required by SEC regulation to furnish us with copies of all Section 16(a) forms that they file.
